CLUBS MUSIC WOMEN'S WORK

Jubilaby.
Hush, little heart of me,
Cradled as far,
Heaven is dark tonight—
I'll get a shining light
Here for your star.

Sleep, little heart of me,
Under the rain,
And, while my candles glow,
That this dream you know—
Sleep it again,
—Elizabeth B. Farnetock in the Outlook.

Today's Events.

FRIENDS SEE A GREAT CHANGE

Since Taking Tanlac He Eats, Sleeps and Feels Better Than in Two Years

"I eat better, sleep better and feel better than I have in two years and Tanlac gave the credit for building me up," said R. H. Budd, well known train dispatcher for the M. & T. railroad, residing at 8244 West Okmulgee street, Muskogee, Okla., recently.

"About two years ago I commenced going down hill, and then a year ago I was in such a low state of health that I had an operation. After this it seemed that I just couldn't get my normal weight and strength back. What little I ate bloated me all up with gas, keeping me uncomfortable for hours and did me very little, if any good. The bloating caused my heart to flutter fearfully, and my nerves were shattered so I couldn't get the sleep I needed. I felt weak, sluggish and tired all the time.

"But when I started on Tanlac I began to strengthen right up. I'm not troubled with indigestion any more, have gained several pounds in weight—and am built up in strength and vitality until I hardly feel like the same man. Tanlac has done fine work for me and I'm glad to tell others about it. My friends, who noticed how pale and weak I looked before taking Tanlac, can look at me now and see the way it has put color in my face and built me up."

Tanlac is sold in Tulsa exclusively by the Quaker and Farhan Drug companies—ADY.

association, and is now making an extended concert tour, which, following her appearance in the Hippodrome, New York, on April 16, will take her as far as Texas and will occupy her time until June 1. She will take a complete rest during the summer of her home in the Catskills.

Personal Mention

Mrs. Martin L. Henry of Atlanta, Ga., is here to spend a fortnight with Mrs. J. W. McMullan, 1508 South Florida avenue.

Harold, the son of Mr. and Mrs. J. M. Cliver, is doing nicely after having undergone an operation for appendicitis at the P. and S. hospital on Monday.

Mrs. C. L. Walte of Kansas City formerly of Tulsa, will go to California for an indefinite stay after her return here with friends. Mrs. Walte is stopping at the Kotham hotel.

Mr. and Mrs. James H. Gardner and their guest, Mrs. R. Montague Phillips of Cleveland, Ohio, will leave this week for Pawhuska for a short visit to the oil fields.

Miss Josephine Powell of Little Rock, Ark., is visiting Mrs. Leslie L. Doyle, who are relatives. Miss Powell is a student at the Chicago Art Institute.

PLEADS NOT GUILTY

Penmore Committed to Jail Without Bond Until His Preliminary Trial on April 26.

R. F. Penmore, charged with the murder of Jesse Keys Sunday afternoon, pleaded not guilty at his arraignment Wednesday before Justice H. J. Gray and was committed to jail without bond until his preliminary hearing April 26.

Penmore shot Keys after a running fight during which, eye witnesses say, Keys threatened Penmore with an open knife. The killing took place in the front yard of Penmore's home, 716 North Quincy.

Penmore's story of the shooting has been corroborated by two eye witnesses who, in signed statements to the police, relieved Penmore of any blame. They both intimated that under similar circumstances they would have done the same thing.

Test Water Supply.

PANCA CITY, April 20.—In order to have a year's test on the city water supply here, the commissioners have arranged for a test to be made monthly for a year. The record for April shows approximately 100 per cent pure. As a result of the recent tests a water contract has been entered into between the city and the Santa Fe railway company, whereby the latter is now using Panca City water, which is pumped from a subterranean river evidently running parallel with the Arkansas river east of the city.

Had Narrow Escape.

TAHLEQUAH, April 20.—While attempting to ford the Illinois river a few days ago a man named Husker, who near the corner of the stream, was caught before a wall of water, the result of heavy rains in the hills. Although he managed to escape he lost his team and had a narrow squeak for his own life.

Reel on Good Roads.

ADA, April 20.—More than 3,000 feet of moyle will be taken of the Chandler-Sulphur route of the Ozark trail, 1,000 of which will be taken in and around Ada.

ARCHITECTS MAKING PLANS

More and Cheaper Conveniences for Girls in University.

NORMAN, April 20.—Architects are at work on plans which will be submitted within 10 days for the first campus dormitory to be erected at the University of Oklahoma, bonds for which were provided for by the state legislature, according to a statement Tuesday by E. H. Kraestli, secretary to the president.

The first dormitory built will be for women and will be south of the present women's building which is yet incomplete. It will contain a cafeteria for the convenience of women of the university and girls who stay in the hall will get rooms at the lowest possible cost. It is planned. Rentals must be sufficient, however, to provide a sinking fund to take up bonds as they come due. The site of the new building is now occupied by the university nursery.

Road Contract Awarded.

PAWUSKA, April 20.—Official notices have been received here to the effect that work on the hard-surface road between Pawhuska and Peshawar will be started within 30 days, the contract being awarded to M. R. Ammerman, of Wichita, Kan., at approximately \$40,000 a mile. The cost of the work will be borne by Osage county and the federal road fund.

MANGUM IS WAKING UP NOW

Building Revenue and Big Gas Supply Is Expected.

MANATIM, April 20.—Manatim is in the midst of a building campaign. Quite a number of new residences are being erected. Also numbers of people are making general repairs. Work has started on the paving contract which was let sometime ago to Roberts Brothers of Wichita Falls and the contractors say same will be rushed to completion. The chamber of commerce has a plan on foot to bring gas from the

Granite field to this place and also induce the surrounding towns to get together and take out franchise for the purposes of using gas from this field. It is said the Granite field will supply all towns in this territory with gas.

LEGION IN NEW QUARTERS

Renovate Office Building and Now Have Pleasant Rooms.

COLLENSVILLE, April 20.—The American Legion of this city, which had previously been meeting in the city hall, decided it needed quarters of its own. Under the direction of H. C. Holliman, post commander, they secured the second floor of the Carpenter building.

These rooms have been idle for some time but the boys went into them with broom and brush and now have first class club rooms, consisting of a kitchen, rest room, writing room, and a large assembly hall where dances, parties, etc., may be given.

Rifle Range at Norman.

SORMAN, April 20.—A complete rifle range, 500 yards long, will be completed soon for use by R. O. T. C. cadets at the University of Oklahoma. Students will be taken out in groups, under the supervision of an officer, and given firing practice.

Consider High School Course.

OKMULGEE, April 20.—Plans for formulating a state high school course of study, which will be offered for adoption by school authorities of Oklahoma at a general meeting of school men to be held at Oklahoma City on May 3, were discussed at a meeting of several school superintendents and principals from various cities of the state held here on Friday. The meeting here was called by Superintendent H. B. Bruner who is chairman of the course of study committee of the state. Other members of the committee are Mr. Hamilton of Ponca City and Mr. Toris of Durant.

Tablequans Welcome Regime of New City Marshal.

TAHLEQUAH, April 20.—Bob Worthman, sought as long ago as 1894 by officers, and whose name mentioned as a possible participant in train and bank robberies, has been gradually beating back for a number of years. For some time he has lived in the Jackhill neighborhood and recently became a resident of the town and when an election was held on the first Tuesday of this month Worthman was elected a city marshal. It is thought that he will be able to keep order in the town.

A previous marshal is said to have kept out of sight when certain persons wished to "take in the town" and his son is said to have been himself selling "choic" beer. In consequence many citizens breathed a sigh of satisfaction when the old incumbent was relegated to the shade of private life.
